A Note About Our Prayerbooks

Welcome to the South Street Temple. Our prayerbooks, Mishkan T'filah, are in the lobby or on the bookshelf at the front of the sanctuary. We invite you to take one so that you may join in our worship. As these are sacred books, we ask that you handle them with care by keeping them off the floor and returning them to their proper place at the conclusion of the service. Each prayer in Mishkan T'filah is laid out in a two-page spread, the Hebrew text, transliteration, and English translation on the right, and on the left are two alternate English readings reflecting on the theme of the prayer. The rabbi or cantorial soloist will announce page numbers and which option will be read. Shabbat Shalom. We are glad you are here.
